## **Karate**

- We became the first runners up in the state level open championship

We are exclusively conducting the following activities for the betterment of students.

## **Karate**

Karate is one of such programmes. We are providing weekly one hour for Karate .

## **Abacus**

Abacus aims at making the students excel in mathematics. Students from 1 – 8 get chance to participate in the special training given by the specialised teachers.

## **Remedial classes.**

We focus on individual development of the students. So we give special attention to below average students through remedial classes. It enables them to acquire the minimum basics of English, Maths, Hindi and Malayalam.

## **Food fest**

We are proud enough to say that our budding stars from LKG to Grade 2 conducted a food fest with the support of parents. The collected amount was given to the SALVA old age home. May almighty accept our good deeds..

## **Pupils foundation and flood relief**

Knowing the people by sharing and caring is the real education. Our students also extended their helping hands to the flood affected people. We handed over Rs. 1,43,500/- for the needy people.

WE strengthen our faculties by giving enough training and orientation programmes. We also conducted different sessions for parents and students lead by the eminent personalities from all walks of life.

Another notable activity that took place this year is the one month campaign on theme “Love food, Hate waste”. This sounded and displayed the value of food.

As a part of elongating the education outside the school walls, we conducted several field trips.

A student should open his eyes and mind to the world. To empower the GK and current affairs, VNPS provides daily GK questions for grade 3 to 10. Along with this, to nurture the moral values, we give motivation sessions thrice a week.

Above all of these, we have a special space in academics also. In the Last year CBSE board examination we got 100% victory and

5 students Scored more than 90%
